WHY REFER HERE

Prompt access

We contact every referral within one business day and work to see new patients quickly, so your patient does not wait weeks to start.

Real hands-on time

Seventy-five minutes for an evaluation and forty-five for follow-ups, delivered by a licensed clinician rather than handed off to aides.

You stay informed

You receive the evaluation, the plan of care, and progress updates. Your patient comes back to you, not to someone else.
