- Sports injuries, youth through adult
- Work injury and return to work
- Balance and fall prevention
- Running mechanics and orthotic intervention
- Chronic pain and movement dysfunction

ADVANCED TECHNIQUES

- Integrative dry needling (CIDN certified)
- Active Release Techniques (ART)
- Primal Reflex Release Techniques (PRRT)
- Fascial Manipulation
- Manual and soft tissue therapy
- Corrective exercise programming
- Orthotic assessment

WHY REFER HERE

Prompt access

We contact every referral within one business day and work to see new patients quickly, so your patient does not wait weeks to start.

Real hands-on time

Unhurried appointments delivered one on one by a licensed clinician, with time to assess properly and adjust the plan as your patient progresses.

You stay informed

You receive the evaluation, the plan of care, and progress updates. Your patient comes back to you, not to someone else.

Cameron Elliott, PT, MPT
